Whether you own a home in the woods or many acres of land, this “out-in-the-woods” educational event is packed with practical “how-to” information that you need to know.

Stewarding land is both rewarding and challenging. Successful management is due to the decisions you make and the actions you take. Attending the Forest and Range Owners Field Day will prepare you to plan and execute sound practices, enabling you to accomplish your management objectives, reduce risks, and protect your financial investment.

Schedule
- A detailed schedule of presentations will be available on June 1 at http://forestry.wsu.edu or your local WSU Extension office.
- Gates open at 8 am.
- Presentations at 9 am, 10 am, 11 am, 1:30 pm, 2:30 pm, and 3:30 pm.

About the Site
- Parking adjacent to presentation stations.
- Portable restrooms, coffee, refreshments, and drinking water are available on-site.
- Seating provided at presentation stations and lunch area.
- Walking short distances over nearly-level forested terrain is required. Dress for the weather and wear sturdy footwear.
- There will be vendors and displays.
- Vans rides required to access demo stations.

Lunch
- On-site BBQ lunch to benefit the Future Farmers of America and 4-H ($10). One free lunch is provided with registration. Additional lunches can be purchased for $10. Lunches must be ordered no later than June 20. Or, pack a lunch.

“I like to do things on my own and I’ve discovered that so do most other forest owners. Nothing motivates me more than seeing other people’s projects and learning from other landowners. It’s a bonus that all of these professionals will spend one-on-one time with me.”
