

MEMORANDUM OF UNDERSTANDING

between

Yakima Valley College

and

*the College of Agricultural, Human, and Natural Resource Sciences
Washington State University*

Yakima Valley College (YVC) and Washington State University (WSU) hereby enter into a Memorandum of Understanding (MOU) based on a Customized Articulation Agreement (CAA) for transfer students from **YVC** to WSU with **AAS-T** degree in **Early Childhood Education (ECED)** who follow the attached advising recommendations and matriculate into **BA** degree in **Human Development** in the College of Agricultural, Human, and Natural Resource Sciences (CAHNRS) at Washington State University.

This Customized Articulation Agreement is intended to eliminate duplication of coursework and better integrate programs to ensure a more efficient pathway to graduation. The purpose of this set of advising recommendations is to provide students of **YVC** a more efficient transfer pathway to Washington State University (WSU). Students who complete the **AAS-T** degree in **ECED** with at least a 2.0 cumulative grade point average will be certified as **Human Development** majors at WSU; and will be granted Junior standing, assuming the total number of credits accepted in transfer equals at least 60 semester credits.

Transfer coursework for students completing the **YVC** degree covered by this MOU will be applied to the Washington State University Common Requirements (UCORE, the general education program), as applicable under the WSU Transfer Course Equivalency Guidelines, and to the individual degree options within the CAHNRS as specified in this agreement. The transfer of credit allowed under this MOU is structured to maximize the use of **YVC** credit applicable to each specific degree option, up to the total of 73 semester credits of lower-division transfer credit allowed under Washington State University policy. All such credit not applicable under the WSU Transfer Course Equivalency Guidelines applies only to the WSU degree(s) covered by this agreement. If students transfer prior to completing the transfer degree, acceptance of the courses toward a WSU degree will be based on WSU Transfer Equivalency Guidelines.

The agreed upon courses of study are outlined in Attachments A and B of this MOU. Attachment A details the specific *set of requirements to be completed* at **YVC** and Washington State University in order to earn **BA** degree in **Human Development**. Attachment B specifies the required *term-by-term course of study* as offered by **YVC** and WSU.

The required course of study may be changed at any time with the mutual written agreement of the participating institutions. At such time, the Attachments to this MOU will be updated. Suggestions about which courses of study need to be reviewed will be called for each year. However, unless otherwise agreed upon by both institutions on an individual student basis, students will be responsible for the course of study at **YVCC** and Washington State University in effect at the time the student enters the **YVC** **AAS-T** degree in **ECED** specified in this MOU.

The undersigned certify this Memorandum of Understanding:

Washington State University

Articulation Planning Grid

**Yakima Valley College AAS-T in Early Childhood Education → WSU CAHNRS BA
Human Development/Certificate in ECE on the Global, Pullman or Vancouver Campuses**

NOTES:

- ¹ Conversion formula for quarter to semester credits: Quarter credits x .67 = Semester credits
- ² Students have two options: A) Inquiry in the Natural Sciences (7), Biological Science (3-4) and Physical Science (3-4) **OR** an Interdisciplinary Science (8). Choose A or B to fulfill this requirement.
- ³ Upper-division courses may also fulfill these requirements.
- ⁴ A minimum of 40 semester hours must be upper-division (300-400) credit (Rule 114).
- ⁵ Minimum WSU graduation requirements are 120 total semester hours and a 2.0 overall grade point average (GPA). Each department may have specific GPA requirements.
- ⁶ The maximum transfer credit of 73 semester hours is allowed from community colleges (Rule 114). No more than 30 credits Advanced Placement, CLEP, or other credit by exam may apply toward a BS degree (Rule 123).
- ⁷ Recommended course choice from distribution list. Other courses may meet UCORE requirements; check WSU Transfer Equivalency tables.
- ⁸ H_D 403 meets UCORE requirements as well as H_D core requirements. These credits are being counted only in the UCORE requirements section so as not to inflate the total number of credits.
- ⁹ H_D 496 is required only for Vancouver students.
- ¹⁰ H_D 497 is required for Pullman and Global students; H_D 385 is required for Vancouver students.
- ¹¹ H_D 235 is required for Global students only.
- ¹² Where variable credits are indicated, the number of credits required is determined by the campus on which the degree is completed (i.e., some courses are required only on one of the campuses, and thus are replaced by an elective course at the other campuses).
