Message from Alyssa Bowers, County Director for Volunteers and Club leaders:

Below are a few reminders and updates for the new 4-H year. There is a lot of important information in this email, so be sure to save it for reference.

Enrolling in 4-H Online

Don't forget to enroll on 4-H online ASAP! Youth and volunteers need to be enrolled in order to be covered by insurance. I've also attached a liability waiver for families that bring siblings to meetings, if you would like to use that in your clubs.

State Fair Still Life Pick Up

If you would like to pick up state or county fair still life, please email me at alyssa.bowers1@wsu.edu to set up a time to come by the office.

Youth Project and Record Books

Please email me if you would like to order 4-H project books for your youth. I will order one per enrolled member. I'm also happy to print any record books. See attached infographic for more information. Thanks to everyone that turned these in for last year! I am excited to see what everyone worked on!

Club Officer Handbooks

If you did not receive a set of printed copies of the club officer handbooks at the kickoff, and would like a set, please email Alyssa at alyssa.bowers1@wsu.edu. These should be used annually for the elected officers. The secretary and treasurer's manuals are particularly important. Attendance and minutes should be taken at every meeting. We will be requesting that the secretary and treasurer's manuals be turned in starting in 2026 with the financial summaries. Clubs with everything turned in on time and correctly will be considered for the club of the year awards and officers that complete their manuals will be in consideration for teen and youth awards. 😊

Reminder for 4-H Volunteers: End-of-Year Financial Statements Due November 1

End-of-year financial statements are due to the county office by November 1. The Financial Summary Form and Property Inventory forms can be found in the chart below. Please also include the most recent bank statement (September) for EVERY account that your club has, including PayPal, Venmo, etc. with your financial summary and inventory list. If you used a treasurer's manual last year, please include this as well. This is required for ALL clubs with bank accounts as well as project groups with bank accounts. Please make sure to gather all necessary documentation and submit your financial statements on time, either by email (kingcounty.4h@wsu.edu), mail, or dropping it off at the Renton office. A random sample of programs will be selected for a full audit and notified. Audit documents will be due December 1.
