

Nature Walk Scavenger Hunt

First Name _____

What can you find on your nature walk?

When you see something on this list, write a check next to the name.
Do not pick up any items, just look for them. Have fun!

- bunny
- slug or worm
- plant with thorns
- tree with yellow branches
- a water source
- evidence that a woodpecker has lived nearby
- deer
- bird's nest
- bird (what kind is it?)
- seed or seed pod
- tadpole habitat
- litter
- moss or lichen
- insects
- something you've never seen before
