Sterling Volunteers - background updates

Sterling Volunteers handles our background checks for new and continuing volunteers. This is done once every three years - if you are due to receive an updated check, the email will come directly from them when you registered. If you have any email or address changes, please let us know.

New Volunteer Enrollment Process Changes

This year, all new volunteers must complete their application, trainings and background check before they can go to 4-H online to enroll. Please have all new volunteers email Nancy Baskett at nbaskett@wsu.edu to start the process.

GivePulse - Volunteer hours reporting

Have you heard about Give Pulse? It is the new reporting system for submitting your 4-H hours. One of the benefits to using this site is to record your impacts from things like club meetings, projects, community service and of course, the Fair! These impacts are not just a time contribution to the youth you work with, they also contribute a financial impact with your efforts to Washington State 4-H. When you log in your hours, you are also protected by Washington State L & I if you are injured while working as a 4-H volunteer.

Your first step is to log in and claim your account. If you share an email with another 4-H volunteer, you will need to have your own account for each person attached to a unique email address. Claim your account, log into your account, Create an Impact and Register for an Event: <https://extension.wsu.edu/4h/for-volunteers/volunteer-hours-report/>

You can download and use the App for your device or log in through your computer browser once you have claimed your account at this link:

<https://wsu.givepulse.com/group/453121>

If you need assistance getting started with GivePulse our volunteer hours reporting system or report your hours directly to us to input for you, please contact Michelle at michelle.green@wsu.edu

Thank you for all you do to support our 4-H members in King County - we couldn't do it without your time and effort.

Reasonable Accommodation Requests

Reasonable accommodations are available for participants, members, volunteers, and those attending 4-H sponsored events with a documented disability. If an individual has a disability and needs reasonable accommodations to fully participate in a 4-H program, the individual should contact the WSU King Co Extension office. Please contact Nancy 253-224-2884 or nbaskett@wsu.edu
