

Helping to tell

# The Extension Master Gardener Story!

Program Impact Scavenger Hunt for Extension Master Gardeners

Demonstrating the significant impact of Extension Master Gardener (EMG) volunteers is crucial for securing financial support, gaining respect from officials, and recruiting more volunteers. To help EMGs share this story, you are invited to participate in a scavenger hunt that will enhance your understanding of this goal and the available resources to achieve it.

**Instructions:** Click on the link below to access the home page of the WSU Extension Master Gardener Program website. Once there, look for the answers to each question below by searching the site.

*Upon completion of this activity, you may claim one hour of Continuing Education in GivePulse.*

Click here to get started: <https://mastergardener.wsu.edu>.

01

Name two resources found on this page.

02

Scroll to the bottom of the page into the grey banner. There are five links under the title **More Resources**. What is the name of the second one as listed from left to right?

03

Click on the link from your answer to #2. Once on the new page, look around and list one topic you are interested in learning more about.

04

Find and click on the **Program Priorities Library**. How many program priorities are there, and which two are of particular interest to you?

05

Click on the arrow under **Plant Biodiversity** in the Program Priorities Library. According to the subtitle, through what methods do volunteers teach stewardship of diverse ecosystems?

06

True or false; the **Program Priorities Toolkit** can be found on this webpage?

07

Name three other resources found here.

Continued on page 2

08

Click on the **Lesson Plan** sample. What is its topic?

09

Click on the link in the right-hand box entitled **Plant Biodiversity survey questions for review**. Scroll to the bottom of page 2. What is the first "rate your knowledge" question?

10

Click **Download Template** to open the Plant Biodiversity presentation template. How many slides are there?

11

Slide #7 defines the mission of the WSU Extension Master Gardener Program. What is it?

12

What's the purpose of slides #1-3?

13

Which slide number is the placeholder or starting point for you to add custom content to your presentation?

14

Go back to the Plant Biodiversity Library webpage. In the right-hand column there is a link under the heading **Evaluations** to a half-page handout suitable for printing in the event you'd like a hard copy of the link to the evaluation. What is the title of this link?

15

List one other resource on this page you might use in creating a presentation.
