

WGS

WASHINGTON GREEN SCHOOL

Love gardening? Learn research-based techniques to create a thriving garden that also benefits our environment. From water conservation to supporting local ecosystems, discover how your gardening choices make a difference.

WASHINGTON STATE UNIVERSITY
EXTENSION

WSU Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.

Washington Green School

offers two tracks for participants from the Pacific Northwest and beyond.

The **Washington Gardener** track is a flexible, do at your own pace, online-only course that benefits gardeners. Participants can earn a Washington Gardener Certificate of Completion.

The **WSU Extension Master Gardener Volunteer** track includes online classes and in-person labs, leading to WSU Extension Master Gardener certification upon fulfilling course and volunteer requirements.
