Changes I will make- Water conservation

Steps I will commit to take to conserve water as a result of this event. *(Check all that apply)*

- I will adapt my home landscape to local conditions to conserve water.
- Group plants according to water needs.
- Water only where needed and when necessary with water conservation in mind.
- Install efficient irrigation equipment (drip system, timer, water-saving sprinkler heads, etc.).
- Reduce my lawn area.
- Mulch to reduce my water use and build soil health.
- Use a rain collection system to water.
