Animals arriving prior to 6:00am will be held in a holding area, unless prior arrangements with the Superintendent have been made. Animal entry through Gate 11.

SECOND WEEKEND SHOWS RELEASING: Sunday, September 28th – see release procedure below. All livestock must be out of the barns by 10:00pm. Release for long hauls (500 miles & over): See Department Superintendent for arrangements.

RELEASE PROCEDURE:

Note: Based on crowds. Barns will be closed on September 28th @ 6:00pm; Banner line will go up at 6:00pm. To assure guest safety no access will be allowed in the livestock area once the banner line has been installed. We are hopeful that we may clear the barn and livestock areas of fairgoers by 6:00pm, at which time exhibitors may finish hauling their tack and decorations. Please do not start dismantling any displays or decorations until 5:30pm. Once this procedure is completed, we will have a general release with an estimated release time of 6:30pm. Please keep in mind that this depends on getting the barn areas cleared of fairgoers in a timely fashion. You will be informed by your Superintendent of a definite release time once management (Livestock Show Supervisor) feels it is safe for everyone. Long hauls will be given consideration for an earlier release if it is safe to do so. Gators and drivers will be available to assist you in hauling your tack and/or display items.
