

Dress Code for the Pierce County 4-H

Allowable dress: Exhibitors clothing should be neat and clean. Clothing must always include a shirt and pants or the equivalent. Exhibitors must always wear closed-toed shoes in stalls and exhibit areas. Clothing must be made of opaque materials (not able to be seen through) and have fabric in both the front, back, and sides. Clothing must be suitable for scheduled activities, especially when unique hazards exist, or safety gear is needed. Specialized attire may be required. County fair shirts and clothing that follow 4-H emblem guidelines are allowed. (Examples: Yearly Fair theme shirts, club shirts, 4-H KYG shirts, 4-H Teen conference, 4-H regional and national event shirts). Though you may not be exhibiting, if you are in the exhibitor's area or barn, the public sees you as representing the fair and your organization, so you must follow dress guidelines.

Non-allowed dress: Articles of clothing that display profanity, nudity, pornography, or sexual connotations, and slogans that promote tobacco, alcohol, drugs, sex, or gang symbols or affiliation are prohibited. Clothing featuring political or consumer brands is prohibited in barns or show areas. Items of clothing that expose bare midriffs, bare chests, undergarments, or that are transparent (see-through) are prohibited. Halter tops, tube shirts, and spaghetti straps are not appropriate. Super short shorts or skirts, even with leggings, are not acceptable. Individual project areas may have specific clothing/dress code requirements. If you choose to dress inappropriately, you will be asked to change. If dress becomes a continuing issue, exhibitors may be asked to leave the fairgrounds.
