

# GOT PLANTS FOR **2025** ?

The annual MGFKC plant sale is the primary fundraiser for the WSU Kitsap County Master Gardener Program. The sale's proceeds pay for the supplies, tools and reference materials used at MG demonstration gardens (which grow thousands of pounds of produce for our local food banks each year), the MG children's programs and the MG Virtual and Farmers' Market clinics.

**WE ARE SEEKING DONATIONS OF HEALTHY, WELL-ESTABLISHED PERENNIALS IN ONE-GALLON POTS THAT WILL BE APPEALING TO PURCHASERS IN EARLY MAY.**

**YOU CAN POT YOUR OWN OR HAVE THE HELP OF OUR SALVAGE TEAM.**

*Our customers generally will not buy flowering plants unless they know the color of their flowers, so please ensure that you have noted the flower color of any plant to be donated.*

**OUR CURRENT WISHLIST FOR 2025 INCLUDES (*but is not limited to*):**

Black-Eyed Susans	Bleeding Hearts	Astrantias	Lilies
Black Mondo Grasses	Columbines	Bee Balms	Stonecrops
Japanese Forest Grasses	Epimediums	Beesias	Rodgersias
Jerusalem Sages	Pulmonarias	Bergenias	Saxifrages
Native or European Gingers	Astilbes	Brunneras	Most Ferns
German, Japanese & PCH Irises	Toad Lilies	Hellebores	Tiarellas
Solomon's Seals	Vancouveria	Heucheras	Trilliums

Hostas (all are wanted, but dwarf, blue, lime & variegated are extra-appreciated)

**We also are seeking interesting and unusual plants that grow well in our area for our "Something Different" table.**

***WE DO NOT WANT or, FOR THE 2025 SALE, ALREADY HAVE ENOUGH OF:***

Trees, Shrubs, Yuccas or Houseplants		
Tulips, Daffodils, Hyacinths, Bluebells, Scillas or Other Spring-Flowering Bulbs		
Huckleberries, Raspberries, Marionberries or Blackberries		
Arums	Loosestrifes ( <i>Lysmachia</i> )	Bachelor's Buttons ( <i>Centaurea</i> )
Mahonias	Money Plants ( <i>Lunaria</i> )	Green Persicarias
	Toad Flaxes ( <i>Linaria</i> )	St. John's Wort ( <i>Hypericum</i> )
Native Lady Ferns ( <i>Athyrium filix-femina</i> )		Comfreys/Borages ( <i>Symphytum</i> )
Anything on the Kitsap noxious weed list [ <a href="http://www.nwcb.wa.gov/pdfs/Kitsap-County.pdf">www.nwcb.wa.gov/pdfs/Kitsap-County.pdf</a> ]		

## CONTACT INFO:

If you are a Master Gardener and are interested in growing or donating edibles for the 2025 sale, please send an e-mail to us at [MGFKC.GrowingPlants@gmail.com](mailto:MGFKC.GrowingPlants@gmail.com).

*Whether a Master Gardener, or not, if you would like to offer plants, or would like our Salvage Team to dig or divide your plants this fall for our 2025 sale, please contact [MGFKC.Perennials@gmail.com](mailto:MGFKC.Perennials@gmail.com), as soon as possible. Scouting of potential donor sites will be in June & July. Salvage Team digs will be done in September & October.*
