WSU Extension Master Gardener and Green School training is equivalent to approximately 4 and 3 credits respectively. For comparison, WSU tuition for in-state resident, undergraduate, 4 credit course is \$1698.00 assuming the individual is a full-time student taking 12-18 credits. Instate tuition for the same credits at an accredited Washington two-year college is \$640.00.

Training Course Materials

There is one required textbook, *PNW Gardeners Handbook: Growing for the Future* which will be available to you through your course fees.

There are no prerequisites for this non-credit course other than a desire to learn and if you choose the volunteer route, a demonstrated volunteer ethic. You will need a computer, email address and reliable, high-speed internet to successfully participate in our online training program.

WSU Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.
