

SKAGIT COUNTY 4-H LIVESTOCK PROJECT

ADD SHEET REQUIREMENTS

Market Projects *(should say market on the tab)*

- Project Record
- Project Journal *(write See Add Sheets)*
- If the animal was sold at a sale, the market animal record book will serve as the add sheets, inserted here *(with the completion of pg. 7 for Puget and Skagit, pg. 6 for Evergreen)*
- Project Photos
- Project Highlights
- Project Financial Summary *(Beginning and Ending Inventory must be completed; write see add sheets/labor record for time spent on project; may be a culmination of multiple animals of the same species)*

Breeding Projects

- Project Record
- Project Journal *(write See Add Sheets)*
- Time Investment Record *(takes the place of project journal; write See Add Sheets)*
- Animal Management Record *(takes the place of project journal; write See Add Sheets)*
 - Beginning and Ending Inventory
 - Expenses, Income, Financial Summary
 - Health Record *(depending on scope, this may be by entire project or by individual animal)*
 - Clinics/Events Attended *(for entire project)*
 - 4-H and non 4-H Contests
- Breeding Animal Record for EACH animal
- Production Animal Record for EACH animal, if applicable
- Project Photos
- Project Highlights
- Financial Summary *(write see add sheets if beginning/ending inventory and/or time spent on project is recorded in Animal Management Record)*
