Woohoo!

Kudos to all of the volunteers who watched the 2017 Volunteer Update and completed the survey! Those who have done so AND are enrolled in 4HOnline for the new 4-H year are *volunteers in good standing!* ☺

Reminder:

Annual Volunteer Update!

All Snohomish County 4-H volunteers must watch the 2017 Update, available online to watch at your leisure. A short survey at the end will let us know that you have met this requirement.

It takes just an hour. Be in the loop, and be in good standing as a 4-H volunteer! Please partake before the year draws to a close.

Not Enrolled Yet?

Please make sure you are enrolled or *re-enrolled* in 4-H (youth and volunteers) for the 2017-2018 4-H year. Everyone must renew enrollment annually. Here's the link to the database: <https://wa.4honline.com>. If you experience any problems, just call Sylvia at 425-357-6044.
