April 25, 2018

Woohoo!

Congratulations to our fearless leader, **Jana Ferris**! Jana has been promoted to the role of Volunteer Specialist for all of WSU Extension, starting May 1st. We look forward to her leadership in that role! Many HUGE thanks to Jana for 19 years of care and feeding of Snohomish County 4-H! You will be missed.

New Stuff:

4-H Secretary Position

The 4-H secretary position has been posted. The initial application window is only one week and is set to close on April 27th. Find the posting here: <https://www.governmentjobs.com/careers/snohomish>

Alarm Codes

If you have previously had a code to disarm the security system in the computer lab or storage area at Extension, please note that the codes have all been changed. You may have already been contacted with a new code. New codes (only for those who need them) can be requested from Janet Jayne at 425-357-6003.

International 4-H Exchange

Washington 4-H International Exchange is hosting youth delegates from Japan and South Korea this summer! We're looking for host families that would like to have cross-cultural experience by opening their home and hearts to one of these delegates. The host family commitment is July 22 - August 17. No special activities are required or expected during the homestay, just a real Washington family experience for all.

The delegate lists and some answers to host family questions can be found here, <http://extension.wsu.edu/4h/youth/global-4-h/international-exchanges/>

Host families should have a designated host sibling who would be the same gender and within 3-4 years of the international delegate's age. Contact Dianna Ullery (360-867-2153 dianna.ullery@wsu.edu) if you have questions, and apply to be a Host Family at www.states4hexchange.org

Quality Assurance

All 4-Hers with livestock projects are encouraged to attend the QA meeting April 26th at 7 p.m. at Extension. We will have work time for help with posters and record books, including farm emergency books. If you need a record book or emergency plan book, let Beth Morrison know in advance. Beth.morrison@wsu.edu

Swine Health Clinic

Join the swine program May 12th, 10:00 – 2:00 at the Stoffel Family Farm in Arlington. Diseases, medications, injection clinic, more. RSVP to Kim Moyer if you can attend: 425-737-1867. Lunch will be provided.
