National 4-H Conference

National 4-H Conference is the pinnacle experience in 4-H Civic Engagement, providing the opportunity for young people to connect, learn, engage, lead, and impact their communities, their nation and their world. National 4-H Conference is a **working** conference, so please note that all youth selected to attend will be expected to participate in all event breakout sessions, presentations and pre-event meetings. If you have specific questions on the time commitment and level of expectations, please reach out prior to applying.

We are seeking 10th-12th graders that are ready to expand on their leadership role and represent Washington State 4-H. We ask that youth who apply for National 4-H Conference have attended or plan to attend the Know Your Government Conference this year in preparation.

To apply, login to 4hOnline where you will find the application under the events tab. The application is open now and closes January 14, 2019.

If you have any questions, please reach out to Alex Laughery either by email at alex.laughery@wsu.edu or by phone at 509-901-9047.

QPR Suicide Prevention Training

Some of you have asked how to can get this training if you missed the class at Extension. There is an independent study class available online for a fee at <https://qprinstitute.com/individual-training>

Happy Holidays!
