Host a 4-H Exchange Delegate for 4 Weeks This Summer

Washington 4-H is welcoming youth delegates from Japan this summer, and 8 boys (ages 12-14) and 6 girls (ages 12-17) still need host families from July 26 - August 21. Families need to have a child who is within 3 years of the delegate's age and can be the "host sibling", a bed for the delegate, and excitement about having a cultural exchange experience.

These are great kids, they're excited to make friends, learn about Washington, practice their English, and be a part of your family for 4 weeks this summer. They're happy to go fishing, learn about farming, help take care of animals, and just hang out with your family doing whatever you do in the summertime.

The delegate list and some answers to host family questions can be found here, <http://extension.wsu.edu/4h/youth/global-4-h/international-exchanges/> or contact Dianna Ullery (360-867-2153 dianna.ullery@wsu.edu) for more information. Apply to be a Washington International Exchange Host Family at <http://www.states4hexchange.org>, and make some great summer memories.

Reminder: Club and Program Grant applications are due to the 4-H Office April 30th!
