## New Stuff:

### Dairy Cattle Start to Finish

Learn how to do fitting and showmanship with dairy cattle, while also practicing your groupwork skills.

June 15<sup>th</sup> at Rupard Dairy. More info here: <https://s3.wp.wsu.edu/uploads/sites/2053/2019/05/start-to-finish-flyer-2019.pdf>

### Space Available on Whale Trip with Natural Resources

Join the Natural Resources 4-H group as we hope to sight Orca Whales, kayak, and explore San Juan Island on July 3-8, 2019. There are no guarantees that we will see whales, but even if we don't, you're sure to have a blast! We will camp, go kayaking and hiking. We will spend some time on plant identification and community service. Enjoy group sports such as Frisbee, freeze tag and games around the picnic table and see FIREWORKS in Friday Harbor.

Cost is \$65/pp. Space is limited. To go out on the water, we require a Water Safety class taught by 4-H Natural Resources. The next (and only class) before the trip will be on June 8th. Contact Nadine MacLane ([nadinem@pobox.com](mailto:nadinem@pobox.com)) for the Whale Trip and Karen Corey ([krn.corey@gmail.com](mailto:krn.corey@gmail.com)) for the Water Safety class.
