## CloverGram

June 12, 2019

## Woohoo!

A special shout-out to all those volunteers and helpers whose employers offer matching funds for your volunteer time. If you report your hours to your employer and thereby secure donations for 4-H, THANK YOU! Thanks also to Boeing, Microsoft, Google, Starbucks, and maybe your employer! Check with your employer to find out whether your volunteer time could be matched, too!

## New Stuff:

### Awards Time!

It's that time of year! 4-H members can apply for awards, such as Achievement pins and Jacket Awards (the famous green jacket). Members, parents, and volunteers can nominate 4-H volunteers and community supporters for other various awards. Deadline for most award nominations/applications is July 1st! <http://extension.wsu.edu/snohomish/4h/resources/> Scroll to the bottom of the page! If you can help judge jacket award applications on Monday, July 8th, please contact Ruth Avila at [deavilabel@gmail.com](mailto:deavilabel@gmail.com).

### Quarterly Prize for Reporting Volunteer Time!

The end of June marks another quarter. As with all such quarterly milestones, there will be a random drawing for a WINNER from among all certified volunteers who have reported volunteer hours in this quarter. Help us reach our goal of 100% reporting! Report hours here: <https://volunteers.cahnrs.wsu.edu/> Thank you!!!

### Including Youth with Special Needs

By popular demand, we now have a page on our website that will refer you to all the resources used in the 2015 Western Region Leaders' eForum on accommodating special needs. Temple Grandin fans will not be disappointed in the recording of the live session. Check it out!

### Prepare for Fair: Beef, Goats, Sheep, & Swine

June 13 at 7 p.m. we will have a prepare-for-fair workshop at the Extension Ed. Center in Everett. Bring your record books for help, come with poster ideas, and leave with a template for your project posters. We will talk about fair requirements and registration deadlines as well as safe hauling tips and how to cool down in the heat. Please let Beth know if you can make it at [beth.morrison@wsu.edu](mailto:beth.morrison@wsu.edu).

### Know a Family with a Boy age 10-14?

One last 4-H delegate from Japan needs a host family July 26 – Aug. 21.

Takuzumi is looking forward to being part of an American family and experiencing nature in Washington. He likes to read, draw, loves dinosaurs and animals. He plays the violin and describes himself as curious, a little shy, honest, and someone who likes to laugh a lot. Please contact Dianna at 360-867-2153 or
