Reminder & Woohoo!

Kudos to all of our amazing volunteers! Without volunteers, 4-H literally could not exist in our county. THANK YOU!

Reminder to report your volunteer time by the end of June to be eligible for the quarterly prize drawing! Win something cool for yourself or to give to someone else! Report hours here: <https://volunteers.cahnrs.wsu.edu/logon.aspx>

New Stuff:

New Look for Website – Coming Soon!

Our state 4-H office has an intern this summer who will be working on a more uniform, branded look for all county 4-H webpages. The changes have not happened yet. We will let you know when to expect a new look.

Awards Deadline July 1st (unless noted otherwise)

Awards members may consider applying for:

- Achievement pins
- 4-H Jacket
- Outstanding Exhibitor (seniors only, due Aug. 1st)

Awards to nominate adult volunteers for:

- Clover and Impact Awards
- Jacket Award
- Outstanding Volunteer Patch
- Volunteer of the Year (Due by noon on July 10th Council meeting)

Award to nominate a helpful community member or business for:

- Friend of 4-H Award (Due by July 10th Council meeting)

All information can be found here: <https://extension.wsu.edu/snohomish/4h/resources/>

Scroll to “Awards & Grants” section.

Western Regional Leaders Forum

Last year, the Western Regional Volunteer Specialists solicited feedback on the regional forum. As a result of the feedback, the decision was made to discontinue hosting regional forums in the Western Region. Each state is encouraged to distribute their materials in a manner that reaches all volunteers in the Western Region and remain open to having participants across the region attend state forums. I will work with the Advisory Board to ensure that all materials for our forum are distributed to my colleagues in the Western Region.

If you have any questions about this decision, please feel free to contact me at ferrisi@wsu.edu

Great Biosecurity Video for All Ages

Want to talk about biosecurity, but not sure where to start? This six-minute video is entertaining and perfect for a club meeting. <http://www.equinediseasecc.org/biosecurity>
