

# bandana design challenge!

challenge submissions due June 1<sup>st</sup>, 2020 by 11:59 pm

To help our 4-H members feel more connected during this time apart, a green bandana will be given to each 4-H member in Snohomish County 4-H, generously donated by Flyin' Lions, a local business that has been a long-time supporter of 4-H. This week's challenge is to submit a design idea that shows how 4-H will keep us all together this year. Members will vote for their favorite design. The winning design will be printed on all the bandanas before one is distributed to each 4-H member. We hope you will all join in the creative fun!

## official challenge instructions . . .

**Step 1) Fill the triangular design space with words or drawings to show how 4-H will keep us all together this year. Be sure to follow these art guidelines:**

- Your design space is a triangle that is 13 x 13 x 18.5 inches.
- For hand drawn art, please use a fine black Sharpie or similar. Everything you draw in black will be printed in white on a green bandana. For best results, keep your lines clean and avoid small details, tiny lines, and shading.
- For computer designed art, the design must be black on white with no shading or very thin or fine lines. If clipart is used, it must be royalty-free and not copyrighted material or ideas.
- You can also use hand-drawn art along with computer generated lettering or vice versa.

**Step 2) Once your design is complete, save it, scan it, or take a picture of it to prepare it for submission. We can only accept submissions via email.**

- If you have questions about how to accomplish that with the technology you have available to you, please reach out to us so we can help. Email [kim.baker@wsu.edu](mailto:kim.baker@wsu.edu) or [a.hernandez-hall@wsu.edu](mailto:a.hernandez-hall@wsu.edu).

**Step 3) Submit your design via email.** Be sure to include answers to the Challenge Questions and email to [snoco.4H@wsu.edu](mailto:snoco.4H@wsu.edu) by June 1, 11:59 pm.

### Challenge Questions

Answers to these questions can be typed in an email, written and scanned and attached to email, or you can take a picture of your answers to attach to the email. You can ask a parent or guardian to help you.

1. What is your first and last name?
2. What is the name of your 4-H club?
3. What did you like about this challenge?
4. What part of this challenge was not so fun?
5. What did you learn while completing this challenge?

**Step 4) Earn an awesome virtual badge! We're excited to see your design!**

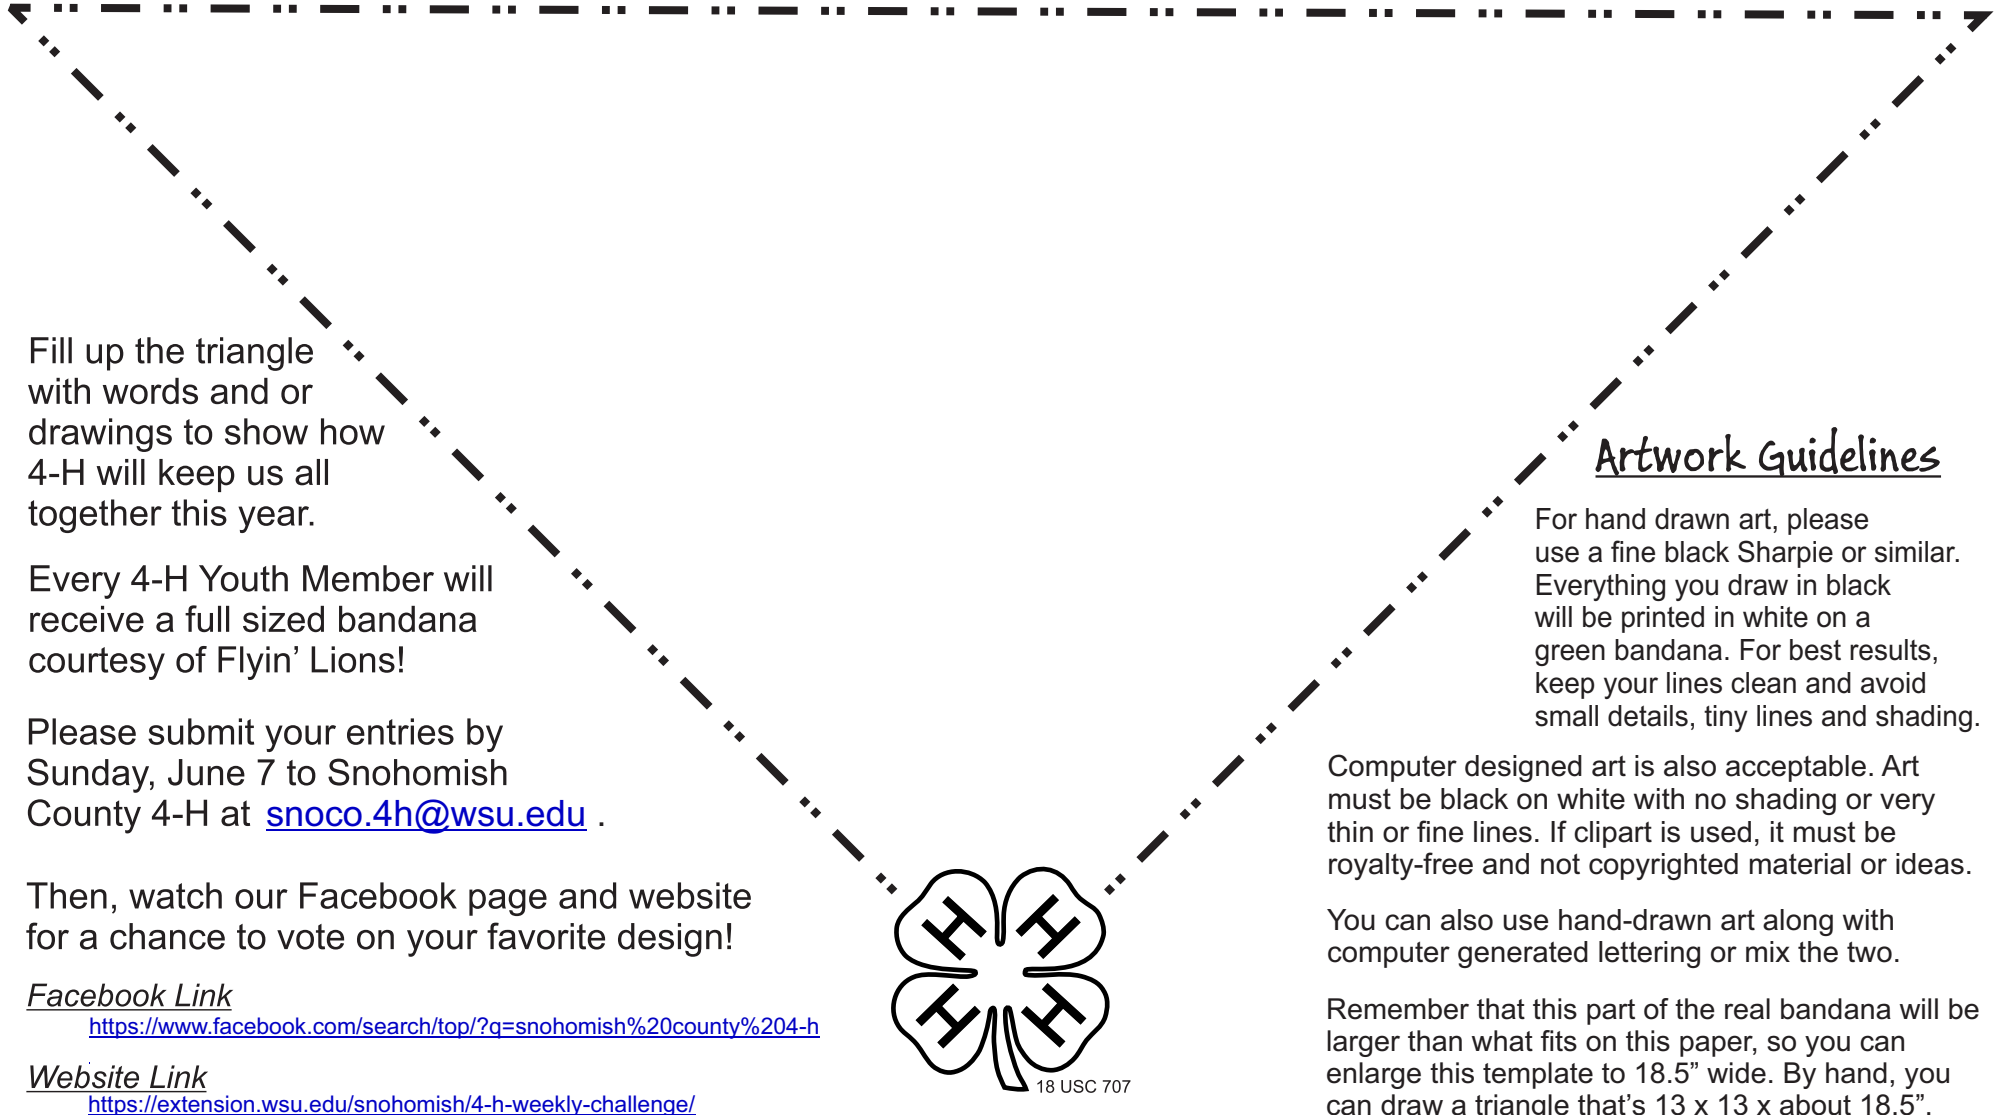

# 4-H BANDANA DESIGN CONTEST 2020

Brought to you by:  
Flyin' Lions and  
Snohomish County 4-H

Final design size is 18.5" wide

Fill up the triangle with words and or drawings to show how 4-H will keep us all together this year.

Every 4-H Youth Member will receive a full sized bandana courtesy of Flyin' Lions!

Please submit your entries by Sunday, June 7 to Snohomish County 4-H at [snoco.4h@wsu.edu](mailto:snoco.4h@wsu.edu) .

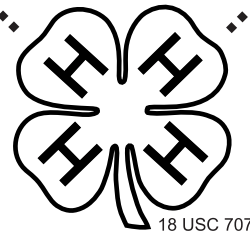

Then, watch our Facebook page and website for a chance to vote on your favorite design!

## Artwork Guidelines

For hand drawn art, please use a fine black Sharpie or similar. Everything you draw in black will be printed in white on a green bandana. For best results, keep your lines clean and avoid small details, tiny lines and shading.

Computer designed art is also acceptable. Art must be black on white with no shading or very thin or fine lines. If clipart is used, it must be royalty-free and not copyrighted material or ideas.

You can also use hand-drawn art along with computer generated lettering or mix the two.

Remember that this part of the real bandana will be larger than what fits on this paper, so you can enlarge this template to 18.5" wide. By hand, you can draw a triangle that's 13 x 13 x about 18.5".
