Hello, 4-H Community!

A few reminders this week. First, please remember that 4-H throughout Washington state is still not meeting in person until Phase Four. Snohomish County is in Phase Two. If we have updates to that policy, we will let you know immediately. If you are needing to deliver items to your club or project members, we will help you facilitate a porch pickup/drop off – just send Ashley ([a.hernandez-hall@wsu.edu](mailto:a.hernandez-hall@wsu.edu)) a quick email about your plan. Ashley can also help facilitate an exchange/drop off/pick up at the Extension office – but this needs to be organized prior to the exchange, as the Extension office is still closed. Any questions about how to deliver physical items to members should be sent to Ashley via email.

Please don't forget that the 4-H Bandanas are ready, and we are working hard to get one to each and every 4-H youth member in our county. Fill out the following survey to let us know how you would like to receive your bandana: [4-H Bandana Distribution](#). Thank you, Flyin' Lions, for your generous donation to help unify our members during this challenging time.

Our webpage to showcase the activities of our clubs and programs is under construction, and we need content! Please send us your project, club, or programs virtual updates (including pictures, video links, posters, artwork, etc.) via email, and we will share your awesome content with the world! You can send those directly to Beth ([beth.wangen@wsu.edu](mailto:beth.wangen@wsu.edu)).

Speaking of the website, we have taken feedback regarding the concerns many of you have expressed for the social and emotional health of our members very seriously. While our Zoom sessions have been challenging for many to attend, we did want to share some resources that we have collected. Visit our new [Social and Emotional Well-Being](#) webpage for links to resources in our area. Feel free to send us feedback or suggestions, as this page is continuously evolving.

Finally, we wanted to offer a **great opportunity** for youth members! The Alderwood Terrace Rotary Club in Lynnwood has generously offered to hear any presentations that youth have prepared. This is a great chance for youth to present their projects to a civic group, practice their public speaking skills, gain more experience presenting to audiences virtually, and to receive constructive feedback to help youth hone their skills. Contact Kim ([kim.baker@wsu.edu](mailto:kim.baker@wsu.edu)) if you have any questions or want to present!

Thank you, Snohomish County 4-H, for being an amazing community!
