## **New Stuff:**

### **National 4-H Youth Summit Series:**

STEM Summit – November 6-8, 2020

- Registration closes October 19 *EXTENDED!*
- This is a program that expands on the STEM Challenge of Mars Base Camp and will be an opportunity for youth to develop their skills as Teens as Teachers and will give them activities that they can turn around and use in their home communities.
- Summit Chairperson is Dave Francis, Utah State University, Utah 4-H.

Healthy Living Summit – February 11-14, 2021

- Registration for the Healthy Living Summit will open in mid-December and will stay open until January 15, 2021.
- Requests for Workshops will be released in November
- Chairperson – Justin Crowe, University of Tennessee-Knoxville, Tennessee 4-H

Agri-Science Summit – March 5-7, 2021

- Registration will open in early January and close on February 15, 2021
- Requests for Workshops will be released in November
- Chairperson – Deb Dietrich, Penn State University, Pennsylvania 4-H

All summits will be \$75 per person for youth and adults and will be an opportunity to share best practices within the topic area, meet and work with people from across the country, and work with fellow 4-Hers on action plans that will work to affect change in your community. Visit <https://4-h.org/parents/national-youth-summits/> for information. The agenda/workshops are finalized for Healthy Living and Agri-Science will be updated on the website as they are finalized.
