New Stuff:

Super Anyday!

There are fun workshops for youth to participate in all over the state and country! Think of it as a virtual Super Saturday over many weeks.

There are two places to look for WA events:

Career Sparks Webinars for Teens to Meet Young Professionals

Are you interested in politics, public service, and/or community activism?

Join Santa Barbara County 4-H for March Career Sparks Interviews, every Thursday night at 5:30PM PDT - a weekly webinar series where youth ages 13 and up can meet young professionals making waves in their careers and industries. Sign up at www.ucanr.edu/career_spark_interviews or follow us on Facebook Live at Santa Barbara County 4-H.

Unique Workshop Opportunities for Volunteers

On March 20th, you have the rare opportunity to attend online workshops offered by faculty from other counties. Volunteers from other counties will also be participating!

Group Agreements SPECIAL, guest instructors Brian and Cindy Brandt: Help youth get along better by guiding them in establishing, reviewing, and updating their common norms throughout the year.

Peer Consultation SPECIAL, guest instructor Wendy Waxman: Learn a technique to get fresh ideas for addressing sticky problems.
