Woohoo!

The winner of the quarterly prize for reporting volunteer hours is...Holly Ramsey! Thanks for reporting your hours, Holly!

Winners are determined by a random drawing each quarter, and again at the end of the year, from those who reported in all four quarters. If you want to be eligible for the next prize drawing, just let me know your approximate hours per month at beth.wangen@wsu.edu or DIY at <https://volunteers.cahnrs.wsu.edu/>

New Stuff:

Minecraft Showcase

4-H youth have been recreating the Evergreen State Fairgrounds in Minecraft all year! To see what they've been up to, everyone is invited to "tour the facilities" on Wednesday, May 5th, at 6:30 p.m. via Zoom. E-mail Ashley for the Zoom link: a.hernandez-hall@wsu.edu

International 4-H Exchange

Previously, we publicized summer hosting opportunities for visiting youth from Japan. Due to the pandemic, with travel from Japan increasingly limited and vaccine rollout getting a slow start there, the trip has been cancelled. The year-long high school exchange program is proceeding as planned. For more information, see <https://extension.wsu.edu/4h/youth/global-4-h/international-exchanges/>.

Opportunities with GPI Military Teen Adventure Camp

Volunteer, Intern, or go to camp! This unique opportunity exists right in our backyard this summer!

Environmental Testing at Extension Facility

The McCollum Park facilities are currently undergoing some environmental testing. Those who are interested may read more here: <https://s3.wp.wsu.edu/uploads/sites/2053/2021/04/WSU-Extension-Announcement-to-Snohomish-Extension-volunteers.pdf>

Reminders:

Virtual Office Hours

Every Monday, Wednesday, and Friday, at least one 4-H staff member is available in our virtual Zoom room for whatever you'd like to discuss. 3:30 – 6:30 p.m. <http://extension.wsu.edu/snohomish/4-h-office-hours-stay-home-stay-healthy/> In-person orientation is at 6 p.m. Wednesdays and Fridays.

Find earlier CloverGrams on our Resources page: <http://extension.wsu.edu/snohomish/4h/resources/>
