Woohoo!

Congratulations to the Snohomish County senior Horse Bowl team for taking the championship (once again) in the state contest! They have qualified to compete in Kentucky in November! Our county's intermediate team also placed first in state! Many thanks to all the volunteers who coached the teams and made the contests possible.

New Stuff:

Minecraft Showcase

It would be hard to miss, over the past year, that 4-H youth have been working enthusiastically to re-create the Evergreen State Fairgrounds in Minecraft. Last week they held a public showcase to give us a taste of their progress. You can see their work in this 5-minute video they created: <https://youtu.be/KDDkyPycpns>

News about Fair

YES, Evergreen is planning a fair! See more about this in our latest 4-H Community Statement:

Change in Virtual Office Hours

For over a year, we have been holding virtual office hours in Zoom three days a week, from 3:30 to 6:30 p.m. Through the end of July, Wednesday's office hours will be suspended. The orientation required for volunteers participating in in-person 4-H activities will continue at 6 p.m. on Wednesdays and Fridays, at the same link. Other times are available by request.
