Snohomish County

Woohoo!

Our 4-H **Botsmiths** robotics team, along with their partners, WON the First Robotics Team district competition for the Pacific NW! Way to go!

New Stuff:

COVID-19 Community Update

What does the relaxing of the state mask mandate mean for 4-H? If you didn't see it in your e-mail, you can find it here: https://s3.wp.wsu.edu/uploads/sites/2053/2022/03/3.11.2022-Community-Statement.pdf

Grant Opportunity for Upcycling Waste Plastic

Check out the opportunity from Carbon Source for grants to keep plastics out of the recycling stream by turning it into filament for 3D printing, and perhaps your great idea, too!

MisInfo Day

A UW/WSU collaboration, MisInfo Day aims to teach high school students how to identify and combat online misinformation and disinformation. Watch short video lessons or take advantage of recorded sessions from past conferences. https://www.cip.uw.edu/get-involved/misinfoday/

Reminders:

Annual Volunteer Update!

It's finally ready! All certified volunteers are requested and required to view this year's Volunteer Update. Only 32 minutes! Find it here: https://extension.wsu.edu/snohomish/volunteer-education/2021-2022-4-h-volunteer-update/
