Explore 4-H Open House 10/1 UPDATE

Please invite all inquiring and interested new families to join us at our annual open house event, Explore 4-H! Our virtual open house will be 10-11:00 a.m., and the in-person event will be 2:30 – 4:00 at the Evergreen State Fairgrounds, on Saturday, October 1st! We will be in the livestock arena and 4-H building **Event Center**, so entering on the east side (yellow lot during fair) is best. <https://extension.wsu.edu/snohomish/explore-4-h-open-house-2022/>

Taxidermy! New Project

The Taxidermy and Articulation Project offers the chance to learn about anatomy of muscles and bones. We will learn how to taxidermy small and bigger animals, including skinning and making pelts, and articulating bones, and we will discuss tanning and the culture behind it. For more information, including scheduling an informational meeting, please contact Kim and Ashor Miller in New Horizons via snoco.4h@wsu.edu or stop and see us at Explore 4-H!

Youth Leadership Conference 12/10/22

Not just for club officers anymore! Still scheduled for Saturday, December 10th, this conference will offer lots of great leadership workshops for 4-H youth! Registration coming soon. Please avoid scheduling other 4-H youth events on December 10th, so everyone can attend. Thank you!
