Enrollment Deadline 3/31 Special Note

The deadline to be eligible for fair participation or discounted volunteer passes remains March 31st. That said, there will be a delay in approving youth enrollments, due to a technical problem that is being sorted. If you see a youth enrollment with a status of "Awaiting Review," do not be alarmed. This delay does not apply to adult volunteers. "Awaiting Review" status for adults indicates that further steps need to be taken. Look for e-mail from beth.wangen@wsu.edu or reach out to Beth.
