Fun Community Service Opportunity: Aquafest!

Aquafest festival in Lake Stevens (the last weekend in July) is looking for a club or program to host a Proud Pet Show, in which kids are invited to come out and show their pets and get a prize of some sort. Does this sound like a fun service project for your club? Contact Ken Cross at 425-760-1273 or ken2cross@gmail.com.

Parades and other Summer Events

Remember, if your club/program wants to participate in an event requiring a document to be signed, please get those documents to the 4-H office at least 60 days before they are needed, so the contracts office at WSU can process them. We do not sign contracts or agreements.

That said, 4-H clubs have been invited to be in the 4th of July parade in Everett! More info: <https://everett4thofjuly.org/parade-participant/>

Reminders:

Enrollment Deadline 3/31 Special Note

The deadline to be eligible for fair participation or discounted volunteer passes remains March 31st. That said, there will be a delay in approving youth enrollments, due to a technical problem that is being sorted. If you see a youth enrollment with a status of "Awaiting Review," do not be alarmed. This delay does not apply to adult volunteers. "Awaiting Review" status for adults indicates that further steps need to be taken. Look for e-mail from beth.wangen@wsu.edu or reach out to Beth.

Volunteer Appreciation Month is Coming!

Youth input wanted! Please ask the 4-H youth you know to tell us what they love about their 4-H volunteers using this survey: https://wsu.co1.qualtrics.com/jfe/form/SV_egtERGz8uCMGw5M
