WINTER IDEAS

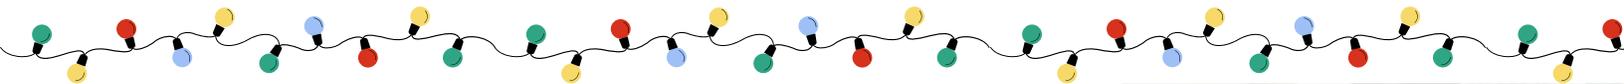

Winter is often filled with friends, fun, and preparing for holidays. It can be easy to get distracted and forget about your service projects. As the community gives to 4-H, it is important to give back! To help clubs get some ideas rolling, we have found a few fun and seasonal activities to talk about. Please remember to submit a Pre-Event Form with details about any project you plan to do. Not sure if something will work for your service project? Contact the Extension Office at 509-524-2685 for further questions, ideas, or other additional help.

»»» FOOD, TOY, AND GIFT DRIVE

Winter is known as the season of giving, making it the perfect time to help others around us. Many families may be struggling during this time, but you can help ease the load. Plan a collection day or spot in which you can have others donate things such as food, toys, or other gifts. These items can then be given directly to those who need them or given to another community organization to distribute. Little things can make all the difference!

HOLIDAY MEAL VOLUNTEERING «««

As the weather gets colder, people will start to gather more inside. Many community centers will be hosting lunches and dinners during this time and they are often looking for help! Reach out to a local senior center or homeless shelter to see how you can help them bring warm meals and a sense of community to those who especially need it during this time of year.
