RE: Information Packets

See 4-H publication How to Present a 4-H Computer-Assisted Demonstration giving hints for good slides, copyright rules and presentation pointers. Also EM4787E Getting to the Point, How to Do a 4-H Public Presentation. This publication is not directly about computer assisted presentations but it will give you tips on getting ready to demonstrate, shaping the demonstration, practical hints, what to wear and showmanship. Please study this publication in preparation for this upcoming countywide competition at the Fairgrounds. ***You will need to provide your own laptop for this event.***

The recommended time limits for your demonstration are as follows:

Minimum time is 3 minutes  
Maximum time is 20 minutes  
**Cloverbud & Juniors: 3-8 minutes**  
**Intermediate: 5-15 minutes**  
**Seniors: 8-20 minutes**

***For members also competing in Fashion Revue, you will start your day there and then go on to Demonstrations.***

Remember, the easiest way to improve your demonstration is to practice, practice, and practice!

If you have any questions regarding any of these pre-fair competitions, contact your local WSU Extension office, Ferry County at (509) 775-5225, x1116 or Colville Reservation at (509) 634-2304.
