Continue

Click on "Continue" to proceed. You will be taken to the login page to log into campus.extension.org Click the "Logon" button at the top right portion of the page. If you already have a campus.extension.org account, you will be prompted to login. If not, you have three options for logon: 1) you may use an already existing Google account, 2) you may use an already existing Microsoft account or 3) you may create an account. The directions for creating an account are on the login page:
After you have created an account, you will be taken to the EP 14 opening screen.

Log in using your account on:

G Google

Microsoft

Is this your first time here?

You may now use your Google or your Microsoft account to create an account at this site and subsequently log in. If you do not have either of those, then please use the regular email-based procedure through clicking on the "Create new account" button below.

Another alternative is an **Account Creation Form** provided by our fee-based storefront site which does not require email validation. Upon creating an account there, you will find a link to bring you back to Campus, where you will be automatically logged in. Subsequent logins, though are done directly on this page at campus.extension.org.

If you have any problems or questions about creating your account, see the **Campus Help Page**.
