Important Notes: Alternative Performance Classes: Regular performance tack rules apply and the horse/rider combination may continue to compete in each class until they earn a grand or reserve in that class (or have earned one in the equivalent state qualifying class at their level). These classes are not state-qualifying and are designed for seasoned and novice riders who are interested in performance classes, but not interested in qualifying for state in performance.

Walk Trot Open Classes are open to riders on horses that are not entered in any other performance canter classes. The exhibitor/horse combination **MAY** enter in gaming classes. Once a grand/reserve is awarded in this class for an exhibitor/horse combination at fair, you must move to a canter class for future years.
