

You're Invited to Participate in the 2015 4-H Window Display Contest

- WHEN:** All displays need to be complete and available for viewing from **Sun., November 1st through Sat., November 7th**
- WHERE:** Local businesses, schools, libraries, etc.
- WHY:** To promote 4-H in the community!
(and as a bonus, to earn recognition and perhaps an award!)
- WHO:** Each club may do one or more windows
- HOW:** After choosing your site and how to share your message with the community, assemble the window or display area, being sure to include information about your club and how others may join 4-H.

The display area can be an indoor or outdoor location suitable to the target audience. It could be flat paper construction, a tri-fold display board, or a traditional type window display.

The attached Evaluation Criteria will help you decide which other items to consider in assembling your window, such as: educational value, design, originality, creativity & neatness. (Go ahead ... be creative! A club once used a huge weather balloon to hang a display outside a school entry!)

Please return form to:

4-H Promotion Committee
WSU / Grays Harbor Extension
PO Box '3018', Elma, WA 98541

Or e-mail Cathy at: cathleencoza@gmail.com
