Hello 4-H Families,

In light of the announcement by Governor Inslee that all schools will be closed across Washington State until April 24th, all Grays Harbor 4-H Programming, including events and 4-H club meetings, are suspended until further notice.

We encourage 4-H meetings to take place remotely using communication tools including phone and online technology. We encourage 4-H members to continue having fun while “Learning by Doing” with 4-H projects. Keep riding your horse. Keep baking those cookies. Care for your 4-H project animals. Keep building your LEGO® creation. Prepare your presentation. Keep planting seeds.

We know that this is a challenge to our 4-H community, and will resume all 4-H activities as soon as possible. Stay tuned for further updates.
