Hello 4-H Families,

As you may have already heard, the 2020 Grays Harbor County Fair has been cancelled. Today, the Grays Harbor County Fair Board and Fairgrounds Staff shared the following:

The Grays Harbor County Fair is a time-honored event, dating back to 1889. It is rich in community history, heritage and pride. Our fair has persevered in difficult times and served as a community showcase. ... It is with great sadness that due to the COVID-19 public health situation and safety measures put in place by the Washington State Governor; our Fair Board and Staff, along with the support of the County COVID-19 Response Team and Board of County Commissioners, has made the decision to cancel the 2020 Grays Harbor County Fair.

Continue to visit www.ghcfairgrounds.com for information related to the Grays Harbor County Fair.

The 4-H Youth Development program shares in the disappointment of this cancellation. We need to reflect back on the 4-H Pledge and reaffirm that Health is an essential element of 4-H. The 4-H Program is looking into alternative ways to showcase and highlight the learning and growth its 4-H members have put into their many projects this past year. More information on this will be available in the weeks ahead.

We know this is a difficult time and appreciate your understanding. Please watch for more updates specific to the 4-H Youth Development Program and for opportunities to participate at <https://extension.wsu.edu/graysharbor/4-h/> and <https://www.facebook.com/graysharbor4h/>

If you have questions, please email WSU Extension Grays Harbor County 4-H Staff using the contact information below.
