

Congratulations, 4-H exhibitor!

Your still life item has been selected for 4-H state fair.

If you are interested, you have three options:

1. If you are picking your item up today (Saturday) but you want to leave it for transport to & from state fair, see Tracie Hanson (Grays Harbor 4-H Coordinator). She will give you the entry form to fill out. When you fill out the form, don't worry about division, class, lot, etc. We will fill that in before it is transported.

Also, all items other than photography, posters & educational displays, should be accompanied by a 3"x5" card which will be available here Saturday.

For most items the card should tell us about the exhibit:

- What the item is,
- What the item will be used for,
- What techniques and materials were used in making it,
- What was learned in making the exhibit

For sewn items the card should also have the following information

- Age of the exhibitor;
- Number of years in project;
- Care instructions (if a separate care label is not permanently attached to the exhibit).

2. You are taking it home today, but will return it to the WSU Extension office by Wednesday August 25th @ 2:00 pm.

3. If you plan to take the entry yourself up to state fair, you will need to get entry forms from Extension office. When you take it up, you will also have to fill out a tag for the entry. If you have any questions about class, lot, etc., you can download the Still Life section of the Exhibitor Guide to find specific information at <https://extension.wsu.edu/4h/fairs/state-4-h-fair/exhibitor-guide/>
