4-H Youth Development Specialist: Dan Teuteberg
Grays Harbor County 4-H Program Coordinator: Tracie Hanson
Mason County 4-H Program Coordinator: Falyn Taylor

4-H Fair Committee: Mary Pederson, Nancy Graham, Cathy Cozad, Farralee Walseth-Burnett, Danielle Eaton and Cindy Kuismi

Information about using the FairEntry online entry platform is available at <https://extension.wsu.edu/graysharbor/4-h/links/>

DEPARTMENT RULES:

1. All youth entering exhibits in this department must be properly enrolled members of the 4-H Youth Development program. All 4-H club members must be enrolled by April 1 of the current year to participate in fair activities. An official membership list of all participating 4-H clubs must be provided to the fair office by July 1. When exhibits and contests are divided into age groups, the WSU Extension 4-H Youth Development Policy applies. (4-H age is determined by October 1st of the current 4-H year)

Cloverbuds: 5 to 7 years of age

Juniors: 8 to 10 years of age

Intermediates: 11 to 13 years of age

Seniors: 14 to less than 19 years of age

2. All state 4-H policies (found in <http://extension.wsu.edu/4h/>) and the most recent revision of the Grays Harbor County 4-H Policies apply during the fair.
3. All 4-H club exhibitors shall observe the general rules and regulations of the Grays Harbor County Fair.
4. Members enrolled in both a 4-H club and FFA chapter may exhibit in both; HOWEVER, they must declare and document which animal is a 4-H animal and which animal is an FFA animal by **July 6th**. The animal's tag, tattoo, leg band number, or other acceptable means of identification must be noted on the animal entry form at the time it is submitted to the Fair Office. No changes will be allowed after that date. A 4-H project will be used for 4-H fitting and showing contests, and likewise an FFA project must be used for FFA fitting and showing contests.
5. ANIMAL HEALTH AND THE USE OF ILLEGAL SUBSTANCES - The use of illegal drugs and/or improper use of animal health products or foreign substances will not be tolerated in the 4-H Youth Development Program. Extension personnel, 4-H volunteers, families, youth, and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances, and to report those who do use any illegal substance. The administration of any drug or medication which could affect an animal's performance resulting in an unfair advantage or the disposition of the animal, is unacceptable. Additionally, there are federal penalties for using illegal substances that are going into the nation's food supply.
6. All 4-H animals are to be left outside the 4-H barns until the animals are checked by the veterinarians outside the barns. Superintendents have the authority to refuse entry until the animal is examined and approved for entry by a veterinarian. If the animal shows signs of infectious or contagious diseases following the original inspection, a committee of three persons designated by WSU Extension Staff and the Fair Board Livestock Committee may ask for removal of the animal from the fairgrounds or a veterinary inspection paid for by the exhibitor. Consult your veterinarian as to diseases such as IBR, BVD, P13, etc. for which vaccinations are recommended and for which preventative measures are indicated, and also proper timing for such actions. DO NOT leave this matter to the last week before fair and expect to accomplish effective disease management.
7. 4-H Equine entries are due by **July 6th** to the Grays Harbor County Extension Office, PO Box 3018, Elma WA 98541.
8. Unless special arrangements are made in advance with individual superintendents, exhibit entry times will be as listed at <https://extension.wsu.edu/graysharbor/4-h/links/>
9. Exhibitors will be responsible for their own exhibits. Each exhibitor is responsible for damage or personal injury caused by his animal, and it is mandatory that you have liability insurance. Contact your insurance agent.
10. Each exhibitor is required to furnish their own straw, hay, grain, water buckets, barn tools, grooming equipment and tack boxes. Initial bedding will be supplied by the fair. Grain must be kept in tack boxes or suitable containers. Feeding of poultry and rabbits will be provided for feed furnished. Each exhibitor must clean their stall space within two days of the closing of the fair. Failure to do this will result in the scrutiny of future participation.

11. Entry forms and exhibit tags are available to 4-H leaders at the County Extension Offices in Elma or Shelton. Complete instructions for making members' entries are also available.
12. 4-H livestock exhibits (including poultry, rabbits, tack, tack boxes, and decorations) may not be removed from the barns before closing time on the last day of the fair. All non-auction animals leave after the conclusion of the fair. Market animals leave on the date established by the auction committee. 4-H equine exhibits will leave on the date established by horse superintendent.
13. Any member whose animals are removed from the fair before the established check-out time must have approval from the WSU Extension Staff and Fair Board Livestock Committee.
14. Any exceptions to the printed rules must be approved in writing by WSU Extension Staff.
15. Animal Health Requirements:
 - **The fair will have an official veterinarian on call. The fair office will call the veterinarian in the case of emergencies or in special situations. Service call charges are the responsibility of the exhibitor.**
 - **All sheep and goats, except castrated male goats, must have official USDA National Scrapie Eradication assigned flock identification.**
 - **Individual health certificates on Washington animals are not required for entry into the fair. The fair veterinarian may issue a blanket health certificate covering all in-state entries to the fair.**
 - **No animal from a quarantined area or premise may be permitted to enter the fair or show.**
 - **All out-of-state animal entries must comply with State of Washington import requirements. No exceptions unless exempted by rules. Please call the fair office for more information on out-of-state animal entries.**
 - **Fair veterinarians will inspect all classes of livestock and poultry (including horses, pet animals, rabbits, fur-bearing animals, pigeons, ducks, geese, and turkeys) before they are exhibited to determine that the livestock and poultry show no clinical indications of contagious, infectious diseases and ectoparasites.**
 - **Fair veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks, and fleas fall into these categories.**
 - **Animals exhibiting disease symptoms during the course of the fair will be rejected by the fair veterinarian and removed from the exhibit area.**
 - **It is strongly recommended, but not required, that cattle be vaccinated in the current show year against respiratory diseases.**
 - **The fair veterinarian's professional decision as to the health status of an animal is final and will be upheld by the fair board.**

YOUTH LIVESTOCK AUCTION

Chairman – John Fields
Secretary – Donna Boyer
Treasurer – Dallas Templeton

FFA Youth and 4-H members enrolled in Grays Harbor County and Mason County are invited to participate in the Youth Live Auction. Refer to the rules and regulations determined by the Youth Livestock Auction Committee. These rules are available at the WSU Extension Office or from your FFA advisor.

4-H members participating in a GHYLA (Grays Harbor Youth Livestock Auction) project must adhere to the GHYLA rules. In case of discrepancies, GHYLA rules take precedence for those animals to be sold at GHYLA.

Additional information may be obtained from Secretary, Donna Boyer at (360) 482-5818.

HERDSMANSHIP

Animal Barn Superintendent

1. Each 4-H member with animal exhibits is required to perform herdsmanship. Failure to do so means the animal may be sent home. Failure to perform herdsmanship duties on auction animals may preclude the exhibitor from selling the animal in the livestock auction.
2. The purpose of herdsmanship is for 4-H members to care for their animals and equipment properly, ensure safety, and to keep stalls, surrounding areas, and animals clean and attractive at all times. Educational displays and public relations are also important components of herdsmanship.
3. Exhibitors may perform herdsmanship by clubs or may form several clubs into herdsmanship groups with a superintendent's approval.
4. Stall cards will be furnished for each animal and must be on display for the entire fair.
5. Pens must be kept clean before, during, and after the fair. 4-H members ONLY may perform duties of herdsmanship during the ENTIRE fair. Adults in charge may assist when safety requires it.
6. All 4-H exhibitors must be properly attired while on herdsmanship duty. Please refer to 4-H project material and State 4-H Program Policies.

DIVISION A

CLOVERBUD 4-H PROJECTS

1. Members enrolled as Cloverbud 4-H members in Mason and Grays Harbor County 4-H Clubs may exhibit for Cloverbud ribbons only. There will be no premium money paid.
2. Entry information is necessary for all still life exhibits.
3. Cloverbud members can submit still life entries during established pre-entry times or at dates/times to be determined so that members can discuss their projects with a designated judge upon entry.
4. Entry for small animals must be submitted by the date established by the 4-H Fair Committee in partnership with the GHC Fair staff. Small animals include pygmy goats, poultry, rabbits, dogs, cats, and covies. All small animal entries must be approved by the appropriate superintendent.

DIVISION B

EDUCATIONAL DISPLAYS

1. This division is open to all 4-H members and clubs from Mason and Grays Harbor County.
2. The display must be related to a project or activity of the club or member.
3. To exhibit a large display or booth, send a description of the display (including size) to the 4-H Extension office by the third Monday in July. Space limitations will be considered before the display is approved for entry.
4. Copyrighted materials are not allowed on any educational display without proper citation of the source.
5. Posters must be neat and clean.
6. Name of exhibitor must be written on the back of all posters.
7. Lettering on posters must be readable from a distance of ten feet.
8. Upon completion of judging, posters will be sent to the appropriate area/barn for display purposes.

Note for posters: only BLUE ribbon posters created this current year will be selected for State 4-H Fair. If you are exhibiting an animal at state fair they most likely require educational posters for display in your exhibit areas. Your posters from County fair don't have to be submitted for judging/premium points at state fair. You can simply take them up to display in your county's area of barn.

PUBLIC PRESENTATIONS

Public presentations are limited to enrolled Grays Harbor and Mason County 4-H members only. All presentations must take place during the fair at the fairgrounds. Participation in these classes may serve as a qualifying activity for participation in the State 4-H Fair in Puyallup. The subject of your presentation need not be related to projects in which members are enrolled. Sign up for presentations using the form included in the supplemental mailing or contact your club leader or WSU Extension staff for other options.

Types of 4-H Presentations

- A DEMONSTRATION puts words into action. An effective demonstration teaches others how to do something by showing while telling. At the end of a demonstration, you should have a finished product to show your audience.
Sample titles include: How to cook an egg, how to groom a dog, how to needle-felt
- An ILLUSTRATED TALK makes use of posters, pictures, digital presentations like PowerPoint, or other visuals to show how to do something or illustrate a process. No finished product is required.
Sample titles include: How to plan a garden, how to distinguish horse markings, how to lead a fun and effective carwash
- PUBLIC SPEAKING is a prepared speech on a specific subject for an audience. Usually, no props or visual aids are used. 4-Hers use this type of presentation to teach, entertain, and/or inform their audiences.
Sample titles include: Why I like the 4-H cat project, 4-H around the world, what compassion looks like in my community

Time limit guidelines for Illustrated Talks and Demonstrations are:

Juniors * 3-8 minutes

Intermediates * 5-15 minutes

Seniors * 8 – 20 minutes

Time limits for Public Speaking are a minimum of 5 minutes and a maximum of 15 minutes.

SECTION 6: 4-H HORSE

Grays Harbor 4-H Horse Council

1. This section is open to all Grays Harbor and Mason County 4-H horse project members. Members must have been enrolled in the project by April 1, current year, to be eligible to exhibit in this section. Each individual must exhibit his own project, which must have been in the care of the exhibitor by May 1, current year. NO EXCEPTIONS. Leaders are responsible for the eligibility of horses.
2. January 1 will be considered the birth date of all horses.
3. No stallions are eligible. Exception: a colt foal of the current year may be shown.
4. Exhibitors must use a bridle or hackamore while riding; halters are not allowed.
5. Blankets are to remain off horses between 10 a.m. and 8 p.m., after completion of fitting and showmanship classes.
6. Horses will be fed only in stalls.
7. All 4-H horses must be inspected by the veterinarian before being allowed in the stabling area. All horses must be stabled immediately upon passing the mandatory veterinary inspection. Any animal suspected of harboring disease or parasites will not be allowed in the stabling area. The Section Superintendent and/or veterinarian's assistant shall have the right to refuse entry until the animal is examined and approved for entry by a veterinarian. Animals being trailered to and from the show area are subject to veterinary inspection prior to entering the stabling area. The 4-H Horse Program does not condone the use of drugs, herbal compounds, or surgical procedures which affect an animal's conformation, appearance, natural performance, or in any way alters its natural color. Horses requiring any medication should be identified upon arrival to the veterinarian check and also to the Horse Superintendent on check in day. Exhibitors should be prepared to present a valid prescription or a written explanation either or both to be signed by the animal's licensed veterinarian. If a horse requires medication or treatment after arrival at the fair, any medication used to protect the health and welfare of the animal must, at all times, be done in accordance with the specification and/or instructions given in the prescription. Liability for the correct administration of the prescribed drug is the responsibility of the exhibitor's parent or legal guardian. The use of Phenylbutazone ("bute") in older 4-H horses is acceptable when the drug is used with and according to a veterinarian's prescription.
8. Any exhibitor bringing a mare and foal must have experienced assistance to handle the mare.
9. Signs shall be placed on the stalls by the exhibitor stating "Do Not Touch".
10. Horses known to be kickers shall wear a red ribbon on the tail at all times. In addition, signs may be placed on stalls.
11. Each exhibitor is responsible for any damage or personal injury caused by his animal and it is MANDATORY THAT YOU HAVE LIABILITY INSURANCE to cover the same.
12. Any animal deemed unmanageable or dangerous must be removed from the fairgrounds; decision made by the 4-H Horse Council officer team and WSU Extension staff.
13. It is highly recommended that all horses be inoculated against distemper, influenza, tetanus, West Nile virus, and rhino prior to the fair.
14. Above the ankle boot with a minimum ½ inch heel, equestrian approved helmets and other proper attire are required while exhibitors are riding, handling, judging, or showing, refer to PNW574 4-H Horse Contest Guide for proper attire descriptions. For safety reasons exhibitors will be allowed to wear "romeo" type or "fat boy" type hard-soled shoes ONLY during herdsmanship.
15. In addition to these rules, all exhibitors must comply with the General Fair and the 4-H Department Rules.
16. The 4-H Horse Council officer team, working with WSU Extension staff, have the right to deem that a horse or horse/rider combination is not safe and may dismiss the animal from the Fairgrounds. Notification of dismissal will be given to the Fair Board.
17. Refer to the full class list and supplemental information distributed by the 4-H Horse Council.

SECTION 7: 4-H POULTRY

Superintendent: Corree Downing

1. This section is open to members enrolled in 4-H poultry projects.
2. Fowl will be exhibited in wire cages provided by the fair. Entries are subject to space available.
3. Transportation cages shall be removed from the fairgrounds between time of entry and time of removal of the exhibits.
4. Only two entries will be permitted by each exhibitor in each class, per variety, except as stated otherwise.
5. Only one turkey entry will be permitted by each exhibitor. Any additional space available will be assigned by lottery system after check-in on Tuesday.
6. Exhibitors will be limited to one cross breed per exhibitor.
7. All entries will be classified by breed and variety. Only recognized breeds are eligible for show except classes 11 & 17. The breed and variety must be stated on the entry form.
8. All poultry must be bathed. We recommend the three-bucket method.
9. Poultry will be inspected for lice. Poultry having lice or showing signs of sickness or excessive dirt will be REFUSED entry by the superintendent and/or vet.
10. To prevent the possibility of spreading infectious diseases, it is recommended that all poultry exhibited at the fair be examined and quarantined, if necessary, prior to returning to the farm.
11. Poultry injured after being checked in by the superintendent should not be disqualified for that year, but the bird cannot be exhibited again.
12. All turkey exhibitors are responsible to bring their own feed and feed pans. Chickens will be supplied with feed.
13. All birds exhibited must show maturity. Chickens must be at least 16 weeks old, with the exception of live meat birds.
14. It is mandatory for all poultry exhibitors to enter Fitting and Showing and Judging Contests.
15. Cloverbud exhibitors must have a parent present at all times.
16. Birds shown in a trio or pen cannot be shown as individuals.
17. A trio is two females and one male; a pair is one male and one female of the same breed and variety.
18. A pen is three birds of the same sex, age, breed, and variety.
19. The words "old", "hen", and "cock" mean birds over one year of age.
20. No decorations will be allowed on cages, other than the stall cards and/or entry tag. Banners and signs may be placed in the area designated by the superintendent. Balloons, streamers, and glitter are not allowed

SECTION 10: 4-H DOGS

OBEDIENCE

Superintendents: Rhonda Borden, Carrie Holcomb and Tracey Maxwell

1. This section is open to 4-H dog project members from Grays Harbor and Mason County only, provided the member is enrolled in the project prior to May 1 and the entry has been under the member's training since May 1.

2. All dogs must be controlled by 4-H youth members.
3. Any dog the superintendent feels is a danger to the viewing public or other animals may be dismissed from the fair by the superintendent.
4. Exhibitors must confine their dogs to the exhibit area, show ring, and designated exercise area. Members must keep dogs on a leash or training collar, except when in obedience classes or benched. Each exhibitor must walk and exercise his own animals and is fully responsible for his animal's comfort.
5. When removing dogs from the approved dog areas, dogs must be taken directly to cars and off of the fairgrounds, through the pavilion or horse gates.
6. All 4-H animals are to be left outside the 4-H barns until the animals are checked by the veterinarians at the stations established by GHC Fair procedures. Superintendents have the authority to refuse entry until the animal is examined and approved for entry by a veterinarian. Veterinarian check for dogs will be on Wednesday, the opening day, from 8:30 a.m. to 9:00 a.m.
7. ATTENTION: each animal entered must show proof of Rabies vaccination from your veterinarian.
NOTE: Any animal with evidence of parasites, including fleas, will be turned away by the Fair Veterinarian.
8. No tranquilizers or stimulants will be allowed unless advised by veterinary personnel and cleared by the superintendent.
9. Members will be allowed to exhibit each dog in the next class upon receiving a blue ribbon placing in the previous class.
10. The winning of a blue ribbon in any obedience class prohibits entry in that class, by the member with the same dog again.
11. No dog will be crated or muzzled in the benching area. Dogs will be benched with a buckle collar. Training collars will be used outside the benching area.
12. Dogs must be wearing well fitted collars, either buckle or slip collar type. No fancy collars, spiked, or other special training collars are permitted. Nothing is to be hanging from the collars during competition. Exhibitors are to use a six foot training leash with a swivel snap and loop on opposite ends. Leather and fabric leads are preferred. Chain leashes are not allowed. Show leads may be used in fitting and showmanship.
13. Members are not allowed to do intensive training of dogs on the fairgrounds.
14. There will be no disciplining of dogs permitted during competition.
15. Abuse or severe unwarranted disciplining of dogs on the fairgrounds will be grounds for excusing the member from participation in fair 4-H dog activities for the year.
16. A female in season may be allowed at the fair at the discretion of the superintendent.
17. All participating 4-H members are responsible for sharing equally in demonstrations, barn duty, and other responsibilities. Failure to do so may result in the forfeiture of premium money.
18. Each 4-H member exhibiting a dog in the fair must enter the fitting and showmanship contest and the dog judging contest.
19. Individuals who have won a blue ribbon in Novice Fitting and Showmanship with the same dog they are presently showing and in the same age class, will enter Open Fitting and Showmanship.
20. Champion Rosettes and Reserve Champion Rosettes will be awarded in each Fitting and Showmanship and Obedience Class by division where performance warrants.
21. Parents and/or leaders may not handle dogs on the fairgrounds.
22. Enrolled 4-H dog project members only will be allowed in the benching area.
23. Dogs must attend the designated days of the fair to be eligible for premiums.
24. 4-H members may compete with more than one dog, however only one of the dogs will be eligible for premium points for fitting and showmanship and thus compete at the State 4-H Fair. Exhibitor must designate which dog prior to competition.
25. Designate V for veteran (dogs that are lame, blind, old, etc.) Enter appropriate classes. Permission of the superintendent is necessary.

Superintendents: Cathy Cozad and Erica Elder

1. This section is open to 4-H cat project members.
2. Cats to be exhibited in the 4-H department must be acquired and in the possession of the member no later than May 1st of the current 4-H year.
3. All cats must have been vaccinated against rabies with an approved vaccine within 12 months as per label directions. We will also recognize the 3-year vaccine as per the label instructions. Exhibitors must present proof of current vaccination by a licensed veterinarian, against rabies. A rabies vaccination certificate (C1084E) is available from the County Extension Office or on the 4-H website. It must be completed at the administering veterinarian's office and submitted with the county animal entry form for all cats exhibited at the GH County Fair. If rabies inoculation was given by a veterinarian who is no longer available, the original receipt or veterinarian or veterinarian-generated document that includes (1) date of vaccination, (2) cat's name or ID and age, (3) brand or type of vaccine, and (4) the veterinarian's signature or clinic stamp should be stapled to the vaccination certificate (C1084E) The exhibitor should complete all information required on the inoculation certificate – except the lower portion that is reserved for clinic/veterinarian use. Cats should be vaccinated against feline panleukopenia, feline rhinotracheitis, calici and leukemia viruses, and chlamydia – per local veterinarian's recommendations for the protection of your cat and the other exhibitors. Proof of additional vaccinations is not currently mandatory.
4. All cats must be four months of age by show date.
5. All cats shown must be healthy, fully groomed, and free of parasites. No pregnant or nursing cats may be shown. Any cat not adhering to health rules will be sent home.
6. Cats will be checked in by the superintendent at 9 AM on the first exhibit day (Friday) in the Borden-Seabert Exhibition Building. Cats and cages are to be set up and in place by 10 am. Cats must be taken home at 10 PM Friday night and returned to their cage by 10 AM the next morning (Saturday). Clean up of the Cat Barn will start at 5pm Saturday night. Cats will be released after clean up and breakdown of the barn, including all cage decorations removed, all cages folded and stacked, all barn decorations taken down, all chairs stacked, and the floors swept.
7. All exhibitors must do herdsmanship. Herdsmanship time will be divided equally among members for the two days the cat exhibit is open. Sign up will be after mandatory meeting on the morning of the first day. Exhibitors that have other exhibits will take first priority for herdsmanship signup to reduce conflict of schedules.

8. Cage Decoration will take place after cages are set-up the night before exhibit (Thursday) or before 10am on the first exhibit day (Friday). Theme of cage must be appropriate and respectable. Safety for your cat must be considered when decorating the cage. The cage must be covered on 2 sides, back, and top with material that gives privacy and helps stop airborne diseases. A proper litter pan must be in the cage. Food and water dish must be non-breakable. Decorations on top of cage must be light weight and not fragile. A small informational display about the cat and exhibitor on the cage is permitted. Cage size will be no bigger than 54 inches wide, 24 inches high, and 24 inches deep.
9. A Schedule of all cat events will be posted in the Animal Show Schedule on the GH Fair website.
