Talking across the political divide

Thursday November 10 | 2:00 p.m.
Foley Speaker's Room | 308 Bryan Hall

How can we communicate across the partisan divide in such polarized times? Join a discussion with **Robin Koerner**, a graduate of Cambridge University, and a contributor to Huffington Post, Ben Swann, Independent Voter Network, and the Daily Paul.

His current work involves training activists and candidates in the art of political persuasion, focusing on bridging partisan divides to win supporters for good causes. He helps activists and candidates understand the dynamics of communication so they can win support for their candidate, cause, or point of view. This event is open to all.
