# United States of Europe?

**Sylvain Brouard**

*Senior Research Fellow, Centre de Recherches Politiques de Sciences Po*

Can European nations survive the European Union? Will the Europeanization of law erode national sovereignty?

**Sylvain Brouard** has been Senior Research Fellow at the Center of Political Research of Sciences Po, in Bordeaux, France, since 2003. He studied at the Institute of Political Studies in Bordeaux where he received his PhD in political science in 1999.

His research focuses on law-making in Western democracies, on European political behaviour and minority politics.

He is an active participant of the French and Comparative Agenda Project, and is also currently involved in a comparative research about the institutions of constitutional review.
