## The politics of education in the state of Washington

Friday September 16 | 12:00 p.m.

Foley Speaker's Room | 308 Bryan Hall

K-12 education in the state of Washington is highly controversial. Issues such as Charter schools, the common core, last year's teachers' strike, school funding and the McCleary decision by the Washington State Supreme Court have dominated the news. What is the view from Olympia?

Join us for a conversation with Superintendent of Public Instruction **Randy Dorn**, who before becoming Superintendent served in the state's school system as a teacher, a principal, and seven-year state representative.

Pizza and soda will be served.
