* MATH 252 will be completed as part of the math requirements in the Elementary Teacher Education program and is not required for teachers certified in elementary education.

Endorsements designate the subject matter an individual is authorized to teach.

The Middle Level Math endorsement is for certified teachers and pre-service students seeking teacher certification.

The above requirements are for the teaching endorsement only and do not necessarily fulfill the requirements for a major/minor. The student is responsible for all course prerequisites and for satisfying departmental requirements for graduation.
