Allison M. Glasunow is an Associate Attorney at PERKINS COIE. She earned a Ph.D. in Pathology and J.D. from the University of Washington. Her major focus for her patent practice is the life sciences.

Allison M.  
Glasunow  
Ph.D., J.D.

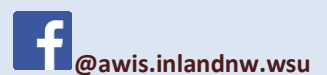

*Associate Attorney  
at  
PERKINS COIE, LLP*

Sept. 24<sup>th</sup>

12-1:00pm

PBS 114

Dr. Glasunow is a patent attorney with expertise in clinical trial patents and product approvals at the Food and Drug Administration (FDA). If you want to learn more about her career path from earning her PhD in Pathology to becoming a successful Patent Attorney, join AWIS for an interactive discussion. After the presentation, there will be a networking opportunity.

**RSVP BY 5 PM ON OR BEFORE SEPT 23RD FOR FREE LUNCH!!!**
