Plant Care in a Greenhouse / Polytunnel

Saturday, October 12; 10 am

Borst Kitchen #1

Ft. Borst Park, Centralia, WA

This class will address basic techniques used for growing and caring for plants in a greenhouse or polytunnel. Problem-solving using low-cost alternatives to achieve best growing results will also be addressed.

A tour of the Borst Demonstration Greenhouse will be provided after the class.

Call (360) 740-1216 or email jason.adams@lewiscountywa.gov to pre-register.

Confirmation not required to attend.
