Seed Saving

Saturday, Oct. 19; 10 am

Borst Demonstration Garden

(Next to the Historic Borst Home)

Learn how to harvest and store seeds and about what type of special care seeds need to germinate such as stratification or scarification.

Free seeds will be provided while supplies last.

Limited seating is available so arrive early or bring a lawn chair, if needed.

Call (360) 740-1216 or email jason.adams@lewiscountywa.gov to pre-register.

Confirmation is not required to attend.
