The Garfield county Noxious Weed Control Board will cost share for Yellow Starthistle, Rush Skeletonweed, Scotch Thistle, and Poison Hemlock on rangeland and non-crop land (NO CRP, CREP land) only as funds permit.

Tordon 22K, Milestone, 2-4D/Dicamba, or other products, including Spreader Sticker and deposit aid as recommended by a dealer or field person currently licensed by the State of Washington may be used according to label on Yellow Starthistle, Rush Skelton Weed, Poison Hemlock, and Scotch Thistle. Final approval of cost share will be by the board, and will be determined by acres and funds available.

**IT IS THE RESPONSIBILITY OF THE OPERATOR TO APPLY HERBICIDES ACCORDING TO THE PRODUCT LABEL.**

A map of the area to be sprayed listing the rates of products to be applied must be provided to the applicator. Garfield County is not involved in the supervision of what is applied or how it is applied. By making application for cost share, the operator agrees to hold Garfield County harmless for any, and all damages that may occur, or allegedly occur, as result of applying chemicals under this program. The operator agrees to follow approved management practices for Yellow Starthistle, Rush Skeletonweed, Poison Hemlock, and/or Scotch thistle control on treated lands by signing this form.

Applications for cost share must be made on this form to Jim McKeirnan, 690 West Main Street, Pomeroy, WA 99347 by mail or in person before application of the herbicide. After the herbicide is applied, the operator will notify Jim McKeirnan for his inspection or conformation. The operator should submit stamped paid receipts to be attached to the completion (page 2) form to Jim McKeirnan on or before October 1, 2022. The Board will make final approval subject to funds available and the number of acres treated. All payments should be made by the Garfield County Auditor, by December 31, 2022. Please retain your stamped copy of cost share form as your receipt of received application.
