State Fair Accolades!

Raising and working with animals takes incredible effort and dedication, as does participating in local and statewide shows and events. Attending state fair is a wonderful opportunity for our local youth, and we're so proud of our 4-H'ers who made the journey and represented Skamania County! We're also grateful for the dedication of our 4-H families who go to great lengths to make it possible for their kids to attend and have a great time and for our 4-H volunteers who foster learning and growth all year long, and go above and beyond to attend state fair alongside their members to provide support!
