NATIONAL ENDOWMENT FOR THE ARTS

2020 MUSICAL THEATER CHALLENGE OPEN FOR SUBMISSIONS

Calling all high school songwriters! Beginning January 13, the National Endowment for the Arts and the American Theatre Wing are accepting submissions to the **2020 Musical Theater Songwriting Challenge**. This national contest is for high school students with a passion for writing songs that could be part of a musical theater production and the wide range of musical styles represented in contemporary musicals. The Songwriting Challenge provides six winners with a coaching team consisting of a mentor and music director (both musical theater professionals) to hone an original song into a Broadway-ready composition and then have that song recorded by Broadway musicians and vocalists in New York City. Final songs will be distributed on streaming music platforms and compiled into a songbook created by Concord Theatricals. The [final recordings of the songs by the 2019 winners](#) are on the recording sessions landing page.
