PACIFIC COUNTY FAIR

“HOMEGROWN, HANDMADE & FARM FRESH”

August 24-27, 2022

The Pacific County Fair is one way our 4-H clubs and members can share what they have been learning in their project areas this past year. Check out the 4-H section of the premium book for entry details and opportunities to showcase what you've learned/grown/raised/made at <https://pacificcountyfair.com/fair-info/>

We know you've been working hard raising and training animals; learning new skills such as baking, cooking, photography, sewing, woodworking, and gardening; building LEGO creations; working on STEM projects, and much more.

Remember to make an educational poster(s) or display to highlight something related to your project area. This is your opportunity to share something educational with the public!

We can't wait to see what you decide to share!!!
